

## ROPES COURSE

Can you see yourself 20 feet above the ground, holding onto a very thin wire, trying to walk across a log to the other side without giving up until you reach the other side? Your heart pumping, friends and staff cheering you on and when you get to the other side feeling a sense of accomplishment that only you experienced? Build your confidence and self-esteem. Try the ROPES COURSE at Hale Reservation this summer.

*"I really liked the ropes course. It was a lot of fun, but very scary to get down."*
